

ASSA Coaching Course Application

HOSTING PROCEDURES FOR STATE COACHING COURSES

- The hosting form should be completed and returned to ASSA.
- ASSA will supply the local site coordinator with the approved date and registration forms.
- ASSA will handle registration and payment for the course.
- The hosting organization is responsible for securing field/s (appropriately set up), classroom, restroom facilities and water available during course.
- The local site coordinator shall promote the course within the local area.
- The local site coordinator shall handle communications with the coaches attending the course including time and location, reminding them to bring a ball, water, notepad, pencil and appropriate clothing for field and classroom.
- The "drop dead" date for a course is 7 days prior to the course. At that time the minimum number (at least) of coaches must have registered and paid for the course.
- ASSA will provide manuals for the course.
- Special requirements for specific courses include: D course - TV and VCR, U-12 Course - at least ten U-12 players, U-8/U-10 course - at least eight U-10 players and eight U-8 players, U-6/U-8 Course at least eight U-8 players and six U-6 players. All courses - a chalkboard or white board is needed and an overhead projector is highly desirable.
- The local site coordinator shall be present at the course for registration and any other time as needed for facility access.
- Modules are free to associations unless the minimum number of coaches does not attend.
- Modules can be weekends or weeknights and 2 – 6 hours.
- E courses are usually Friday evening and all day Saturday and Sunday. An association can request a different format as long as it includes 18 hours.
- D courses are usually Friday evening and all day Saturday and Sunday for two weekends in a row. An association can request a different format as long as it includes 36 hours.
